

STAR Girls is all about creating a resilient renewable energy sector. 🌍

Building tomorrow, today

Introducing the STAR Girls newsletter! Through mentoring, role models and exciting opportunities, **STAR Girls** aims to inspire the next generation of leaders. Stay tuned for updates, success stories and the latest from our journey!

TOP STORIES

Meet our project 📌

The STAR Girls project is all about shaping the future by closing the **gender gap** in net-zero industries. It sparks change by guiding secondary school girls towards **renewable energy careers**, empowering them through **mentorship** to thrive and become future changemakers in sustainable energy.

Kick-off in Greece 🚀

The project kicked-off with a meeting in Greece. Partners discussed mentorship, role model selection and strategies to inspire young girls in the green sector. The team is now focused on **stakeholder engagement** and in performing **desk** and **field research** on gender inclusivity in clean energy careers.
